- New notices system

## New main navigation toolbar:

PDF management

Notices management

Search

Work navigation toolbar

Help guides and news section

Account manager

## New work navigation toolbar:

Documents management

Video management

Translations dictionary

Icons, logos and drawings management and archive

## New documents management window

Search toolbar

The search toolbar includes a user profile icon, the Gulp logo, a PDF icon, a notification bell, a search icon (circled in red), a document icon, a help icon, a user icon, and a power icon. Below these are filters for Language (All languages), Type (All), Collections (All documents), Search by categories, Status (All documents), Document list (Group), and Code.

The document list shows six documents with their respective dates. Below it, a section titled "29 languages found for this document" lists four languages: Belgium (FR), Belgium (NL), Bulgarian, and Croatia, each with a "T" icon and "0%" completion. A "Functions" toolbar is overlaid on the right, showing icons for PDF, ORLW, OrHI, PPLW, PPHI, TXT, and XLS.

Document	Language	Icon	Progress
Document 6	1-1 Belgium (FR)	P	
Document 6	1-1 Belgium (NL)	T	0%
Document 6	1-1 Bulgarian	T	0%
Document 6	1-1 Croatia	T	0%

Language selector

Change page

The screenshot displays the Gulp application window. At the top, there is a dark blue toolbar with icons for PDF, notifications, search, document, help, user, and power. Below the toolbar, a light grey header bar shows the document title 'Document 1', a font size of '14%', and various editing icons. The main workspace is split into two panes. The left pane, titled 'Pag. 1', shows a document preview with a red background and white text. The right pane, titled 'View all sentences ▲', contains a list of sentences for translation. Each sentence entry includes a 'COPY SENTENCE' button, a 'TRANSLATE SENTENCE' button, and a 'To translate' status. A warning message is displayed below each sentence: 'As this sentence contains special text styles please use the (fx) button to apply the style in the correct position'. A language selector dropdown is open on the left side of the preview pane, listing various languages including Belgium (FR), Belgium (NL), Bulgarian, Croatian, Czech, and Dutch.

## New user profile preferences window:

Profile selector

The screenshot displays the 'Account Manager' window for user 'gulp\_cdy'. The interface includes a top navigation bar with icons for PDF, notifications, search, editing, help, and user profile. A 'user profile' dropdown menu is open, showing a 'USER name' field with a 'gulp' logo and a 'user profile' button. The main content area is divided into two sections: an 'Avatar selector' on the left and a 'User profile' form on the right. The avatar selector shows two avatars: a blonde woman and a red-haired woman. The user profile form contains fields for Email (gulp@twins96.it), Username (gulp\_cdy), Password (masked with dots), and Phone (empty). Below these fields is a 'Used languages' section with a grid of 24 flags. At the bottom, it shows 'Documents access: 528' and a 'SAVE' button with a red text prompt 'Click to save your changes'.
